## Federal Government Capability Statement

Kundlas is a comprehensive service provider specializing in grants management, engineering and architectural services, disaster recovery and resiliency services, and construction management services. We handle budget creation, compliance, and audit support in grants. Our disaster recovery services focus on application development, housing rehab, and procurement. We manage all phases of construction, from design to closeout. Our engineering and architectural expertise ensures functional, aesthetically pleasing products.

With a focus on delivering high-quality services across multiple domains, Kundlas is dedicated to guiding communities through recovery and building a resilient future.

## Differentiators

Kundlas stands out due to our comprehensive, multidisciplinary approach, blending expertise across our services. We prioritize practical, clear solutions, ensuring compliance and audit readiness while supporting communities in building resilience. Our team's diverse skill set allows us to manage projects from inception to completion, with a focus on quality, efficiency, and cleanliness.
